Our Mission

To Rescue, Nurture, and Adopt as many dogs and cats as possible into forever, loving homes. To promote the health and well-being of companion animals; to educate pet owners on the importance of spaying, neutering, and regular veterinary care; to encourage pet ownership as a lifetime commitment and to share the joy that our pets offer.

Friends of the Jefferson City Animal Shelter is a non-profit organization, sanctioned by the IRS in 2007. Our organization was established for the purpose of raising funds for a new animal shelter. We are totally dedicated to the animals that need us.

In turn, we offer the following programs and events for our community.

Monthly Meetings

The friends meet once a month to get updates from shelter staff and board members. Group members plan events and brainstorm about fundraising and education opportunities.

Events

Fast & Furry 5K -

We have a 5K run/walk in the fall on the Greenway Trail in front of the shelter. Participants pay a fee to run/walk and they receive t-shirts. Dogs are welcome to walk too. We sell sponsorships to help pay for shirts and supplies.

Oktoberfest -

In late September, we set up a booth at our local Oktoberfest and sold t-shirts, and sweatshirts. A couple of our members also help judge the dachshund races.

Low Cost Spay & Neuter -

Every quarter, we offer spay/neuter vouchers for \$20.00. We only sell 60 and it is first come first serve. Pet owners then take their voucher to a local Veterinarian to have the surgery done. The Friends group pays the difference on the vet bill.

Missouri State Employee Charitable Campaign -

The MSECC kickoff was in August. We set up a booth at the Truman Building and hand out information about our shelter and programs. We also set up booths at state agencies that have their own kick-off events. State Employees can contribute to their charity of choice. The shelter receives a check every quarter from this campaign.

Throughout the year, we sell our t-shirts, sweatshirts and leashes at every event and at the shelter.

Enriching the lives of the animals

Purchased cat scratchers for the cats in the kennels and kitten warmers for bottle fed kittens.

Dr. Mar Doering with All Paws Behavioral & Medical Vet Center has been teaching puppy classes to the community along with teaching some of the volunteers on dog walking, communication and behavior methods.

Purchased cardboard cat carriers for adoptors to transport their new kitty home.

Funds were also given to Wild Things - Feral Feline Fix TNR program to help with the spay and neuter of feral cats in our community.

Purchased a steam cleaner to clean kennels.

Paid for continuing education for our full time veterinarian.

Purchase pet food for the Savation Army food pantry.

Thank You!

Thousands of people directly supported the animals and the work of the Friends of the Jefferson City Animal Shelter in 2018. To these amazing people, businesses, organizations, and of course, the more than 150 of our members who make up the Friends group, our heartfelt thanks for being a part of this work of love. You have made the Jefferson City Animal Shelter a better place for our furry friends.
